

## What just happened?

- A: He just got the monthly fuel bill for his company car; now considering mail cart pulled by intern as a replacement.
- B: Relationship issues: A vehicle breakdown caused a customer breakup.
- C: He discovered that an employee was using the company card for Wally's Gigantus Burritos, Rainbow Pez and Madam Fantasia's Guide to Lottery Picks.
- D: He was enlightened that one card could have prevented all of this.

One card. Less Headaches.  
It really is that simple.
