

COLLABORATE

Build real understanding
among owners, subcontractors
and design teams.

PICTURE A BETTER JOB SITE

Enable all teams to see the project from anywhere in the country. Drive down time and costs through better overall coordination of all jobsite activities. Success happens when everyone has the visibility they need to collaborate effectively

WIN AN iPad® 2!

Demonstrate your own collaboration skills by taking the OxBlue challenge. Visit oxblue.com/register for your chance to win an iPad 2.
